

SILENCIONS
Bierutowska 57-59
51-317 Wrocław, Poland
contact@silencions.com

Since our Research and Development Laboratory in Wrocław is expanding we are looking for people willing to work in a dynamic start-up company. Silencions is a young technological start-up whose vision is to improve the quality of life by reducing noise emissions.

Job offer

Acoustic Engineer

Responsibilities:

- planning and implementation of research projects,
- selection of materials and technologies,
- carrying out acoustic measurements,
- designing and performing computer simulations,
- analyzing results and writing technical reports,

Requirements:

- higher technical education or during technical studies or PhD,
- experience in designing vibration solutions and acoustic solutions,
- proficiency in carrying out measurements of acoustic parameters,
- practical knowledge of measurement equipment (e.g. Svantek, Delta OHM, Larson Davis, etc.),
- creativity in planning and implementation of new projects
- availability, independence and perfect work organization,
- English proficiency.

Nice to have:

- *experience in a similar position,*
- *knowledge of standards for acoustic measurements,*
- *practical knowledge of different sensors (e.g. PCB, Kistler, B&K, GRAS, etc.)*
- *ability to operate with measurement analyzers (e.g. DP, Kistler, Oros, etc.),*
- *participation in research projects,*
- *authorship in scientific publications, articles, patents,*
- *knowledge of modal analysis,*
- *B category driving licence.*

We offer:

- attractive employment conditions depending on experience and skills,
- flexible working hours,
- possibility of professional development in a vibrant environment of a technological start-up and improvement of professional qualifications in various areas,
- opportunity to implement your own ideas and scientific projects,
- unique working atmosphere.

Place of work: Wrocław, ul. Bierutowska 57–59

**If interested, please send your application in PDF format to:

We reserve the right to respond to selected offers.

All applications should contain the clause:

"I agree to processing of my personal data contained in the application documents for the purpose of the recruitment procedure".

In case you wish to participate in future recruitment processes, please include an additional statement in your CV: *"I consent to processing of my personal data for the purpose of using it in subsequent ongoing recruitment processes for the next 12 months."*

Please be informed that the Administrator of your personal data will be Silencions Sp. z o. o. Please read the INFORMATION CLAUSE concerning the processing of personal data in connection with recruitment, which is available at <http://silencions.com/pl/career/>

Information on processing of personal data in relation to recruitment

1. The Administrator

The Administrator of your personal data is Silencions Sp. z o. o. with its registered office at ul. Bierutowska 57–59 , 51–317 Wrocław, Poland, NIP: 6972338416, REGON: 367961695, KRS: 0000690121

Contact with the Administrator is possible at:

e-mail: career@silencions.com

Address for correspondence: ul. Bierutowska 57–59, 51–317 Wrocław

2 Purpose and basis of processing

Purpose and basics of processing

Providing data by you is voluntary, but necessary to carry out the recruitment process (legal basis: Article 221 § 1 of the Labour Code in conj. with art. 6 par. 1 let. a. and let. b Regulation of 27 April 2016 on the protection of individuals and with regard to the processing of personal data and the

free movement of such data and the repeal of Directive 95/46 / EC (hereinafter referred to as "GIODO").

If you include your photo or additional data in your CV (exceeding the data from Article 221 § 1 of the Labour Code) your data will also be processed in this area (legal basis: Article 6 paragraph 1 letter a). Providing additional data and expressing consent in this way for their processing is voluntary and does not affect the possibility of participating in recruitment.

If you agree, the data Controller will process your data, including in subsequent employee recruitments. Consent may be cancelled at any time with effect for the future.

By submitting your CV, you agree that the Controller shall process personal data included in the recruitment application in order to recruit for the position indicated in the announcement.

If you provide your consent, the Administrator will process your personal data, also in subsequent recruitment processes. Your consent may be revoked at any time with effect for the future.

By sending your CV you consent to the processing of your personal data included in the application by the Administrator in order to conduct the recruitment for the position indicated in the offer.

3 Recipients of personal data

Expected categories of recipients of the data: Personal data will be made available to persons authorised by and acting on the instructions of the Administrator, to employees and associates of the Administrator who need access to the data in order to perform their duties or to providers of recruitment services provided electronically. Personal data will not be transferred to a third country.

4 Data storage period

Your data collected during the current recruitment process will be stored up until 3 (three) months after the end of the recruitment process.

If you have given your consent to the use of your personal data for future recruitment processes, your data will be stored for up to 12 months.

5 Rights of data subjects

You have the right to:

- 1) Access to your data and to receive a copy of your data.
- 2) To rectify (amend) your personal data.
- 3) Restrict personal data processing.
- 4) Delete personal data.
- 5) Lodge a complaint to the President of UODO (to the address of the UODO Office, ul. Stawki 2 , 00 – 193 Warszawa).

6. Information about the requirement to provide data

Providing personal data in the scope resulting from legal basis: art. 221 § 1 of the Labour Code (such as name, surname, education, previous employment history) is

voluntary but necessary in order to participate in the recruitment procedure.
Providing additional data and thus expressing consent to its processing is voluntary and does not affect the possibility of participating in the recruitment process.

7. Information on non- profiling
